Liaison Division
Office of Legislative Liaison

STAT

SUBJECT: Constituent Request for Reconsideration of
Prior Agency Action Concerning Survivor
Benefit Election

1. Attached is a constituent referral received from Senator Rudy Boschwitz (R,MN). You will see from the letter attached that the Retirement Affairs Division (RAD) has been previously involved with the constituent, a [Redacted] I am told that RAD turned down at least one of [Redacted] requests via a 3 June 1983 letter signed by [Redacted] as Chief, RAD.

2. Would you please have someone relook this issue to be sure that, in fact, there is no way for the Agency to honor his request. If, in fact, there is no way, then there is no way, but I have been asked to be sure such is the case before we respond back to Senator Boschwitz. I offer this to explain why this otherwise normal constituent request is not being handled routinely by [Redacted] of this office.
